An act relating to surplus property, *and declaring the urgency thereof, to take effect immediately.*

LEGISLATIVE COUNSEL'S DIGEST

SB 858, as amended, Kehoe. Department of Transportation: surplus property.

Existing law provides that the Department of Transportation has full possession and control of all state highways and associated property. Existing law authorizes the department to sell any real property acquired by the state for highway purposes upon a determination that the property is no longer necessary for those purposes, upon terms, standards, and conditions established by the California Transportation Commission.

This bill, notwithstanding any other provision of law, would require the department to sell certain excess property in San Diego County to a specified nonprofit entity ~~at 50% of the property's appraised value~~

for \$750,000 or the department's acquisition cost for the property, whichever is greater.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: ~~majority~~^{2/3}. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Notwithstanding any other provision of law, the
2 Department of Transportation shall sell, to a private nonprofit
3 children's hospital in San Diego County that serves at least 50

6 California Transportation Commission on February 2, 2006, at a
7 ~~price equal to 50 percent of the property's appraised value of~~
8 ~~seven hundred fifty thousand dollars (\$750,000) or the~~
9 ~~department's acquisition cost for the property, whichever is~~
10 ~~greater.~~
